

OPEN WHEN

you've had a long day

Idea: tell them three things you admire about how they handle hard days, then give them permission to do nothing tonight.

OPEN WHEN

you can't sleep

Idea: describe a calm memory in slow detail: where you were, what the light looked like, what you said.

kinharmony.app

OPEN WHEN

you miss me

Idea: write about a normal evening together in so much detail that they can almost hear you.

kinharmony.app

OPEN WHEN

you need a hug

Idea: describe the hug: where your arms go, how long it lasts, what you'd say into their shoulder.

kinharmony.app

OPEN WHEN

it's your birthday

Idea: write one memory from each year you've known them, or one wish for the year ahead.

kinharmony.app

OPEN WHEN

you're proud of yourself

Idea: tell them you're proud too, and why it matters to you that they noticed.

kinharmony.app

OPEN WHEN

you need a reason to laugh

Idea: draw something badly on purpose and explain it in great detail.

kinharmony.app

OPEN WHEN

you need a smile

Idea: retell the funniest thing that ever happened to the two of you, exactly how you remember it.

kinharmony.app

OPEN WHEN

it's a rainy day

Idea: give them a rainy day plan: a movie, a snack and a question to text you.

kinharmony.app

OPEN WHEN

you hear our song

Idea: write how the song became yours and what you picture when it plays.

kinharmony.app

OPEN WHEN

you're looking at a photo of us

Idea: tell the story behind a photo you both love, including what happened right after it was taken.

kinharmony.app

OPEN WHEN

it's our anniversary

Idea: retell the day you met from your side, including what you were too nervous to say.

kinharmony.app

OPEN WHEN

you're packing to see me

Idea: write a checklist of things to bring, ending with the sweater of yours they always steal.

kinharmony.app

OPEN WHEN

your flight takes off

Idea: write something to read in the air: a memory, a plan for the first night, a terrible joke.

kinharmony.app

OPEN WHEN

you land

Idea: tell them you're probably already at arrivals, grinning.

kinharmony.app

OPEN WHEN

it's my morning and your night

Idea: write the goodnight you'd say if you weren't asleep.

kinharmony.app

OPEN WHEN

you wake up and I'm asleep

Idea: leave a good morning they can read before your reply arrives.

kinharmony.app

OPEN WHEN

you're eating dinner and I'm having breakfast

Idea: suggest a meal you could share on a video call at your two different times of day.

kinharmony.app

OPEN WHEN

we fall asleep on a call

Idea: write what you hope they dream about.

kinharmony.app

OPEN WHEN

you're in our favorite café without me

Idea: order for them: write what you'd get and where you'd sit.

kinharmony.app

OPEN WHEN

you need to feel close tonight

Idea: pick a movie to start at the same time, and say what you'd whisper during the best part.

kinharmony.app

OPEN WHEN

you want something in my handwriting

Idea: copy out a favorite poem or song lyric by hand.

kinharmony.app

OPEN WHEN

the countdown hits ten days

Idea: list ten tiny things to do, one for each day left.

kinharmony.app

OPEN WHEN

we finally close the distance

Idea: write a letter for the day you live in the same place: what you hope stays exactly the same.
